*A Special Invitation*

**HELP US SPREAD OUR WINGS**

**OCTOBER 19, 2017**

*Unveiling the 2017 Duck Club Maps*

Ducks Unlimited, Inc. and Great Rivers Habitat Alliance play important roles in the conservation and protection of our Nation's wetland and wildlife resources and the heritage of outdoor recreation. Independently, we have great history; together, we will insure the future of the Confluence and North America's wetland and waterfowl resources.

Come support a partnership to increase focus and dollars to the Confluence, conserving and improving habitat along North America's Big Rivers for the benefit of wildlife and people.

**Great Rivers Habitat Alliance and the volunteers and staff of Ducks Unlimited cordially invite you to a Partnership Event**

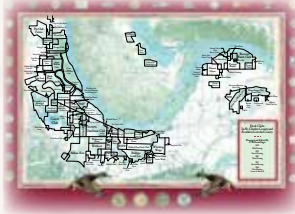

**Thursday, October 19, 2017**

**5:30 – 9:30pm**

**Donald Danforth Plant Science Center**

This year's event will unveil the 6th edition of the St. Charles Duck Club Map in honor of A. William Hager (1924 - 2012) for his many contributions to conservation and the tradition of waterfowl hunting in our community.
